

Damage Cost Protection Plan

(as seen in Section 5 of the Rental Agreement)

5. DAMAGE COST PROTECTION PLAN (Included): Renter hereby agrees to the Damage Cost Protection Plan (“DCPP”). The DCPP is included with every rental free of charge and as otherwise outlined below. The charges applicable under this DCPP are as set forth above in Section 3: Charges, and shall be determined by the repair technician / mechanic who evaluates the Bicycle’s condition upon its return.

5.1 The Renter’s liability for damages under the DCPP shall be based on the total retail cost of the repairs and labor and adjusted as described below:

- A. Up to \$100: no additional charge to the renter;
- B. \$101 and up: Renter pays fifty percent (50%) of total cost (for example, a \$900 repair bill would be reduced to \$450).

5.2 Renter acknowledges and agrees that this DCPP is not an insurance product and has not been evaluated, endorsed, or regulated by any governmental entity and/or agency, but is instead a contract between the parties to allocate the costs in the event of damage to the Bicycle.
